

# THE CRANE TABLE

*The crane table in oak | whitewash (oiled)*

## DESCRIPTION

A simple architectural Arts and Crafts inspired table.

Made to measure to ensure the crane table fits your space perfectly. The simple design also lends itself to being customised – in the third image overleaf, you can see a beautiful lamp table.

We typically make the crane table in solid oak. Our whitewash finishes give the table a relaxed and time worn feel, and in our darker fumed or traditionally stained finishes the table can appear more stately, evoking the richness of early English furniture.
